Correct. You should report the incident, provide resources, allow the Title IX Office to investigate, and avoid taking adverse action at the time of report.

Question 8

1 / 1 pts

To receive credit for this course, you must complete the Acknowledgement. When you are ready, **type "I agree" in the field below** to verify that you have received Sexual Violence and Sexual Harassment Prevention training, and will adhere to your responsibilities under UC policies.

Yes, I have received training regarding University of California (UC) policy on: 1) Sexual Violence and Sexual Harassment Prevention, and 2) Anti-Discrimination. I understand that the University encourages anyone who is subjected to, or becomes aware of, Prohibited Conduct, to report it. Furthermore, if I am a Responsible Employee, I am obligated to respond and report. I certify that I have read, understood, and will comply with the UC policy.

I agree
